

## WATER OUT OF SUNLIGHT

Diana Walls

Only this moment,  
Is there  
Only this moment, this  
One moment,  
Only this

Breath? If you,  
Breathe softly,  
Listen, there is only this moment.  
Always, only this,  
Here, now.

How rest  
In this given, rest, rest in  
This moment, only this moment given?  
How offer its  
Smallness, only

In this,  
One moment?  
For there is only this  
In which to be,  
Only this

Moment,  
Here now,  
One breath in which to rest  
Only this moment,  
Only this.
