

A Chapter by Mail

I have had a suggestion made to me by Fr. William H. Shannon regarding a thing called 'A Chapter by Mail'. Apparently if you wish to correspond with fellow Merton devotees, you are able to write to an address in America and your letters will be forwarded to people in the area of your choice. Fr. Bill says that this facility is available to our members so if you find this attractive here is the address:- Ms. Arline Newton, 1801, East Manor Drive, Lincoln, New England. 68506.

It occurs to me that you may wish to do a similar thing with fellow members of the society in England, if this is the case write to the editor and your letters can be forwarded to members; whether they wish to reply will, of course, depend on the individual member.

The Merton Seasonal

I am still working on trying to get our first issues of the 'Merton seasonal', negotiations are very slow due to distance and pressure of work: I am doing my best!

Material for New Seeds

Anyone who feels they could write an article or who has something to be included in 'New Seeds' should send it to the editor at the address shown on the back page: it would be nice to have something which is not written by one of the officers of the society. Remember, there is a prize for the first one into print.

Executive Meeting

The officers of the society are to have a meeting in the not too distant future to sort out events etc. for the coming year and to see if there is anything we can do to broaden the appeal of the society. If anyone has any suggestions or bright ideas, perhaps you could write to the Gen. Secretary c/o The Editor, all suggestions will be given serious thought.

Seasons Greetings

May I take this opportunity, on behalf of the officers of the society, to wish you a very Happy and Blessed Christmas, and a Peaceful and Prosperous New Year.
